

## Stainless Steel Spheres

Highly Polished grade 304 stainless steel spheres, reflect the world around them, and make an unusual sculptural presence.

Thanks the light-weight design these float on water, and ideal in fountains or water features.~ Larger sizes available on order

## Spheres with water tube

Water flowing out the top rippling down the sphere  
A ring of LED's can be cast into the sphere lighting the water bubbling out of the top.

CODE	DESCRIPTION	WEIGHT	PIPE Ø
SSB300W	S/S Ball 300mmØ Water Tube	2.5kg	25mm
SSB400W	S/S Ball 400mmØ Water Tube	4kg	40mm
SSB500W	S/S Ball 500mmØ Water Tube	6kg	50mm
SSB600W	S/S Ball 600mmØ Water Tube	11kg	63mm
SSB900W	S/S Ball 910mmØ Water Tube	30.8kg	75mm
SSB1120W	S/S Ball 1120mmØ Water Tube	46kg	75mm

### Spheres with sandblasted Continents

CODE	DESCRIPTION	WEIGHT
SSB300C	S/S Ball 300mmØ Continents	2.5kg
SSB400C	S/S Ball 400mmØ Continents	4kg
SSB500C	S/S Ball 500mmØ Continents	6kg
SSB600C	S/S Ball 600mmØ Continents	11kg
SSB900C	S/S Ball 910mmØ Continents	30.8kg

- The sandblasted continents give the impression of a global image.
- These are available with or without water tube, also a stand.

### Golf Ball Spheres
